

OFFICES AND DISTRIBUTION FACILITY

Marietta, PA

Client
Lawn Equipment and Parts, Co.

Year Completed
2007

Project Size
195,000 SF

Created for a growing lawn equipment distributor with a mid-Atlantic market, the new facility consists of a 20,000-SF corporate office and a 175,000-SF distribution facility located in Marietta, PA. With amenity spaces for employees, state-of-the-art building envelope construction, and room for future expansion, the facility showcases the ownership's progressive mindset towards customer and employee excellence.

This project was designed by a BH employee during employment with another firm.
